Frequently Asked Questions

1. **What types of projects are eligible?**

While project forms/mediums might vary (performance, exhibition, film/music work, research text, publication, etc.) the projects need to be able to demonstrate their connection/interaction (of any kind) with the music/film heritage of Vietnam.

2. **What does ‘music/film heritage of Vietnam’ encompass?**

Within the context of this project, there is no right answer. We very much welcome diverse and dynamic interpretations of this term, so long as the focus remains on music and/or film.

3. **What are the selection criteria?**

Please refer to Annex 3 on the FAMLAB Fund page of the British Council Vietnam website - <https://www.britishcouncil.vn/en/programmes/arts/famlab-fund>. For further information please feel free to enquire the following staff at the British Council Vietnam Arts team:

4. **Which language should I use?**

Proposals and enquiries can be submitted in either Vietnamese or English.

5. **Who will be able to apply for the Fund and participate in projects that are awarded grants?**

The Fund supports individuals, groups or organisations (of any origin country) that have their projects implemented in either Vietnam or the UK.

6. **Can I apply for funding to support a component of a larger project?**

Yes, the funding can also be used towards various phases of a project cycle: research, production, implementation, etc. However, objectives and expected outcome of the project need to be stated clearly in the proposal.

7. **Should my proposal strictly follow the template provided by British Council Vietnam?**

For the most convenient and fair evaluation process, please use the forms on Annex 1 for Project description and Annex 2 for Project budget. For the cover letter and portfolio, applicants are encouraged to create and use their own template if such is deemed as helping better express their ideas.

8. **As the Fund is open on a rolling basis across four rounds, can I submit multiple proposals across multiple rounds?**

Yes, you can also submit multiple proposals as part of the same round.

9. **How soon will I hear about application result?**

Please refer to the FAMLAB Fund page of the British Council Vietnam website - <https://www.britishcouncil.vn/en/programmes/arts/famlab-fund>.

10. **What types of costs might not be covered by the Fund?**

Consideration will be made on a case-by-case basis, but basically the Fund can only cover direct costs of the proposed project and costs spent within the project timeline.
