

Nguyen Ba Quynh

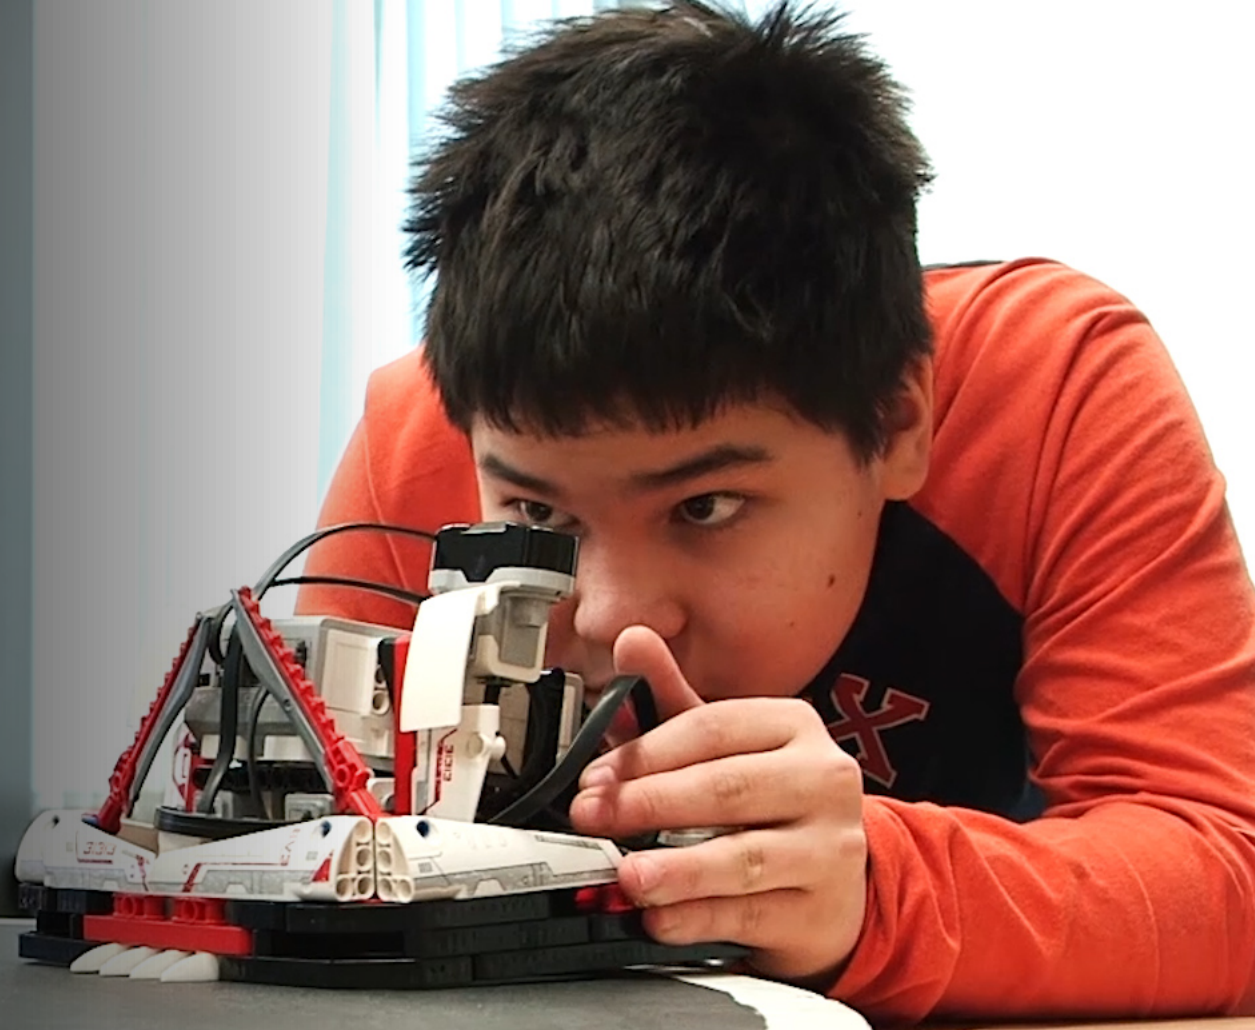

Senior Director – Public Sector Lead

Education Digital Business Transformation Patterns for a Mobile- First, Cloud-First World

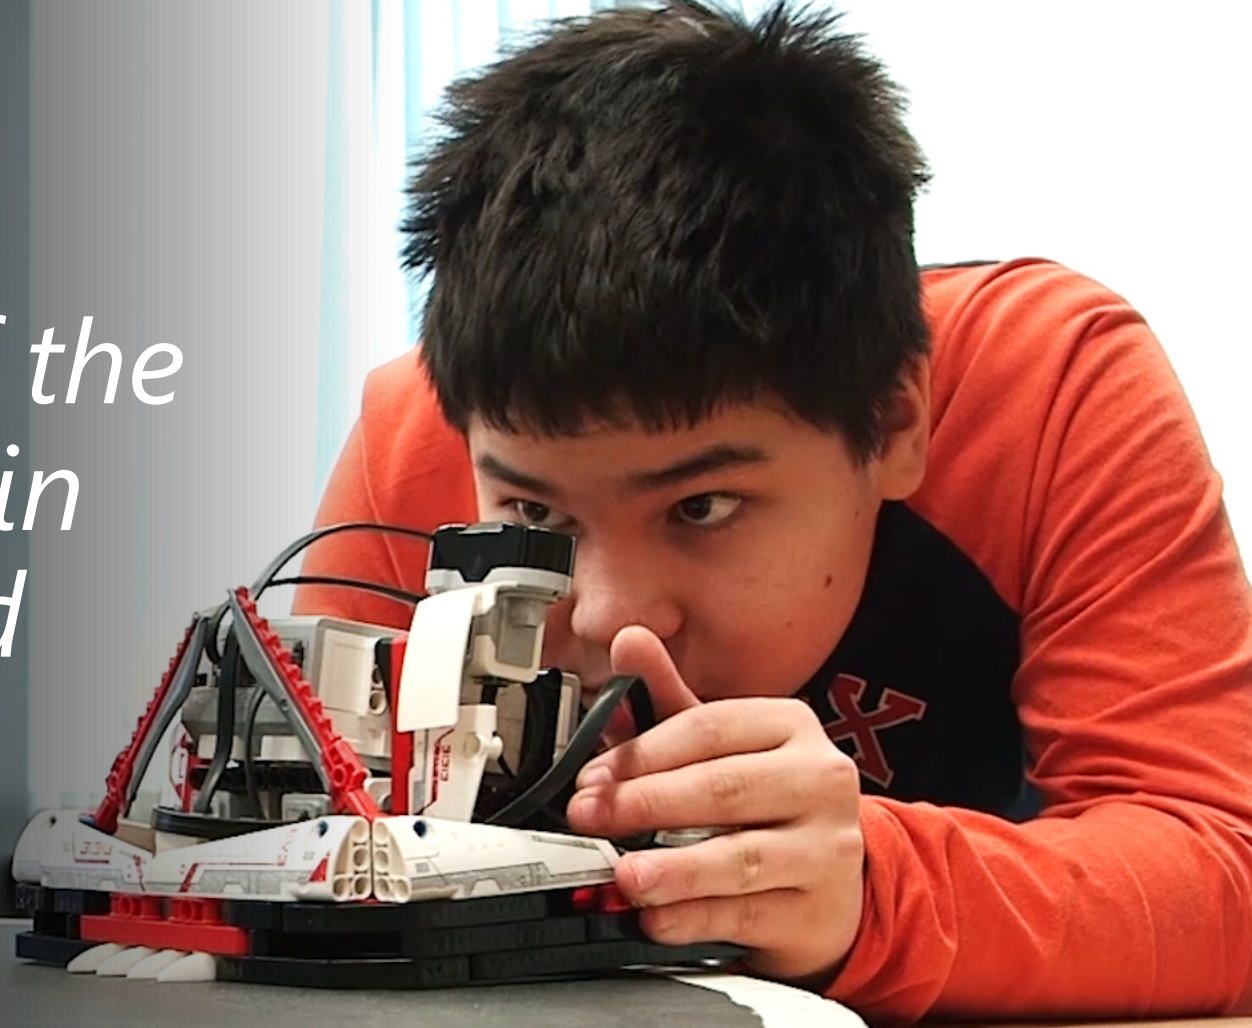

*"Education is not
the learning of facts,
but the training
of the mind."*

Albert Einstein

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge."

Albert Einstein

Our Mission

A young girl with dark hair, wearing a purple sweater, is smiling and holding a green pencil behind her ear. She is holding a notebook with a blue patterned cover. The background is a blurred classroom with yellow bulletin boards.

Empowering every student
on the planet to achieve more.

Why Microsoft in Education?

Immersive and
inclusive learning
experiences for
teachers and students

Create and
share in entirely
new ways

Teach and
learn through
doing and
exploring

Accommodate
any learning
style

Focus on
outcomes not
technology

Create
and share
in new ways

Collaborate on assignments and creative activities

Share learning through interactive reports and presentations

Free access to the world's most popular productivity suite

Actively research, read and take notes right in the browser

Develop computational-thinking skills, create in code

OneNote

Sway

Office 365

Microsoft Edge

Connect with educators around the world with guest speakers and virtual field trips

Explore new worlds through collaborative problem solving

Bring subjects to life through pen-to-paper partner app experiences

Provide real-time feedback, from anywhere in or out of the classroom

OneNote

Windows 10

Store

Microsoft
Surface

Teach and learn
through doing
and exploring

A photograph of three students, two girls and one boy, sitting at a wooden desk. They are looking at a smartphone held by one of the girls. The background is a classroom setting with a green wall and some papers.

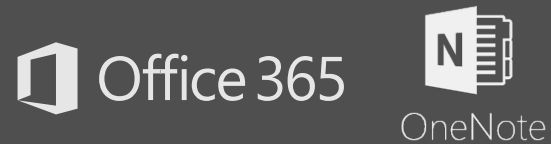

Accommodate individual learning needs

Track student performance and pinpoint areas for support

Pen, touch, voice and keyboard for all learning modalities

Help students overcome literacy, language and learning obstacles

Connect educators to professional development, training, lesson plans, and others in the community

Microsoft Educator Community

Access all your learning material from any device, online or offline

Manage devices in the classroom

Block malware and undesirable content and apps

Keep student information private

Access to a breadth of Windows devices for every need and every price point

 Office 365

 Windows 10

Focus on
outcomes
not technology

THANK YOU
