Hold Seminars/Workshops sharing knowledge in leadership, university governance, digitalization and globalization in Vietnam and UK

Timeline

2021

Proposal

2022

Activities

- Kick-off meeting
- Quarterly meeting
- Offline Dialogue
- Annual Conference

2023

Activities

- Quarterly meeting
- Network Introduction
- Annual Conference
- Offline Dialogue
- Training activities

2024

Activities

- Quarterly meeting
- Training activities
- Produce a final evaluation report
- Conference to launch the Final Evaluation Report & Closing ceremony

Project output

A network of HE leaders and academics between UK, Vietnam and ASEAN countries, more than 500 participants after e years, at least 50% of participants are female.

E-learning with 6 modules “Talent Female Leadership in Digital Higher Education”

An e-platform includes: Database of female leaders and research groups led by female researchers in Vietnam and ASEAN, E-learning modules and Forum for exchange ideas/experience among female leaders in VN, UK and ASEAN

An evaluation report on leadership and governance outcomes focusing on social inclusion and gender equality for policy development.

5 Join-research groups among UK, VN and ASEAN led by female leaders

Project Impacts

Improved awareness of gender issues and challenges facing women leaders

Enhancing the digital skills of women leaders in HE for managing a digital university

Enhancing the capacity of women leaders in HE in providing customized services

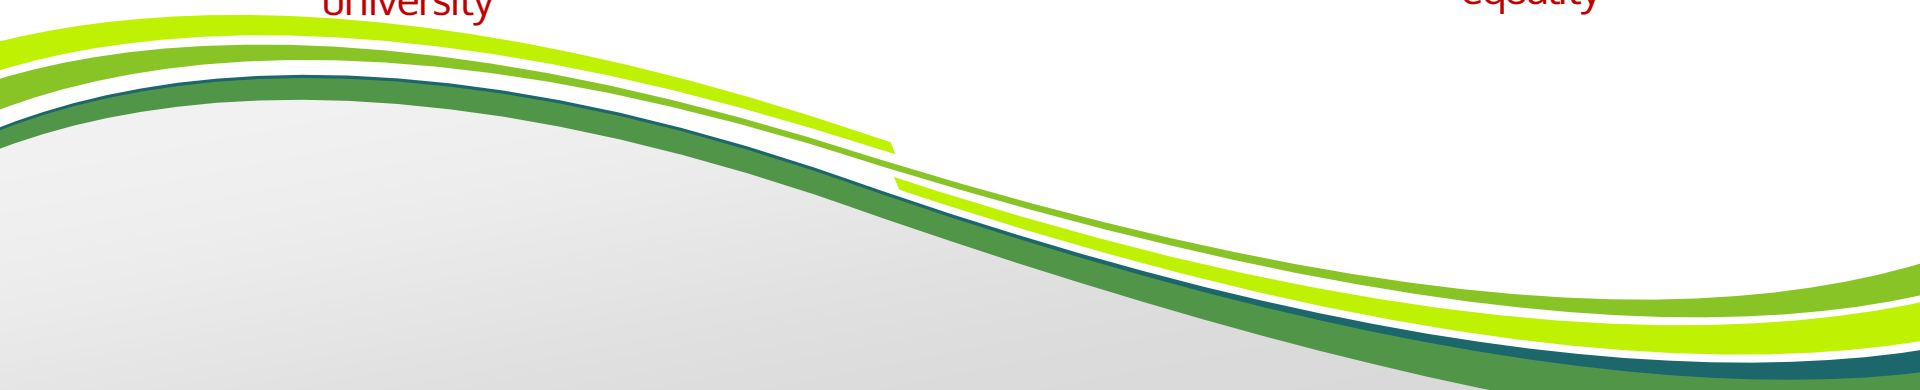

Greater appreciation of female leadership and their contribution to female leaders in university

Informed decisions to develop and implement digitalization strategies to empower women leaders

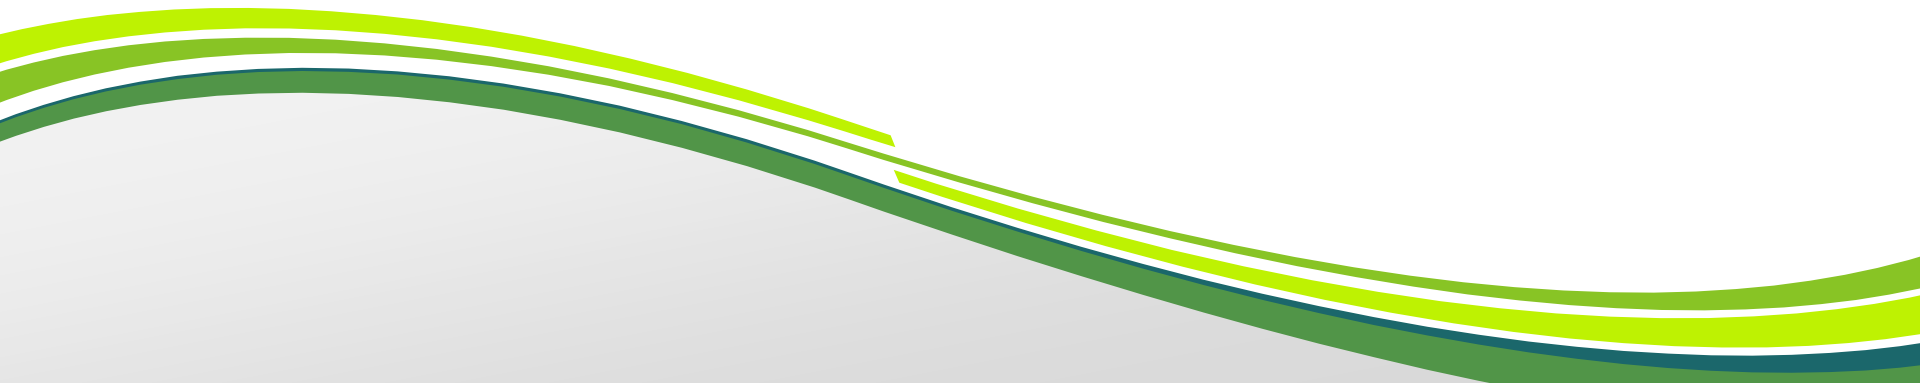

Supportive network development to constantly support women leaders to achieve better gender equality

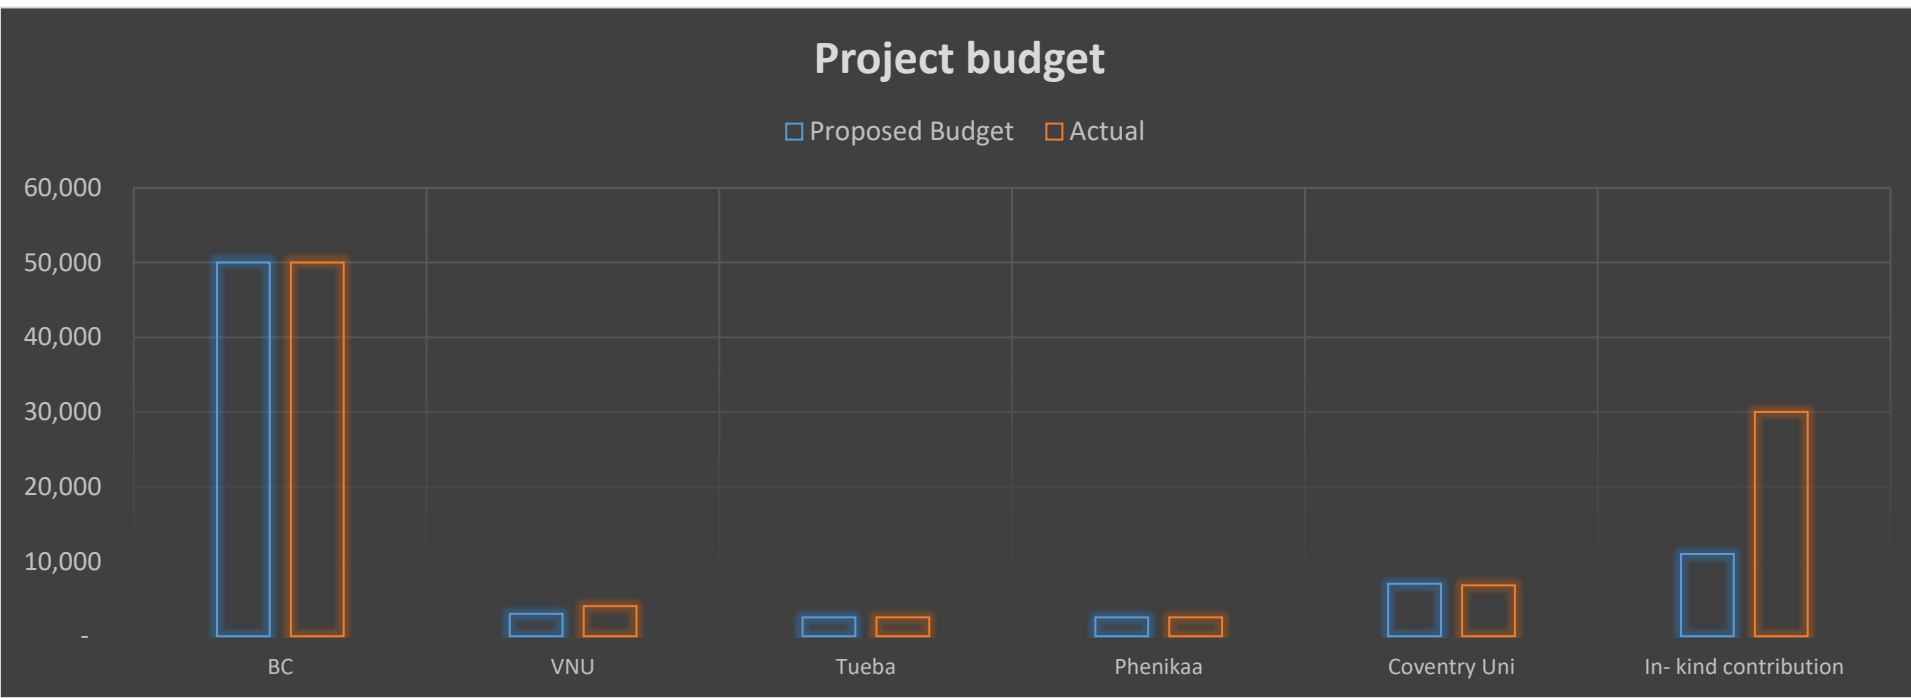

2. CHALLENGES

- The procedures for obtaining permits to organize international conferences in Vietnam are difficult.
- The project includes many activities with various outcomes, making project implementation very challenging.
- The project does not have dedicated staff, so faced difficulties during implementation

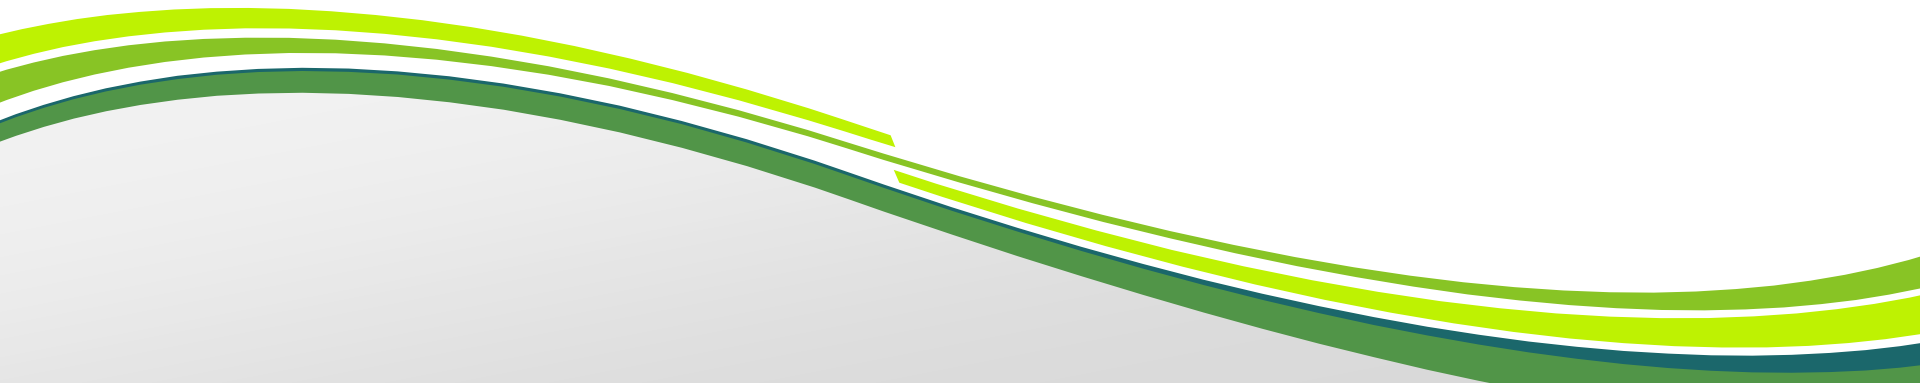

3. SUCCESSES AND ACHIEVEMENTS

- ✓ The project was completed on time and within the budget as committed, with the in-kind contributions from the consortium exceeding more than twice the initial project proposal.

3. SUCCESSES AND ACHIEVEMENTS

- ✓ Successful implementation of a series of events and activities, including Dialogues, Conferences, TOT training course

Kich off (20/01/2022)

Dialogue Phase 1 (6-8/7/2022)

**Intro Network conference
25/11/2022**

E-Learning

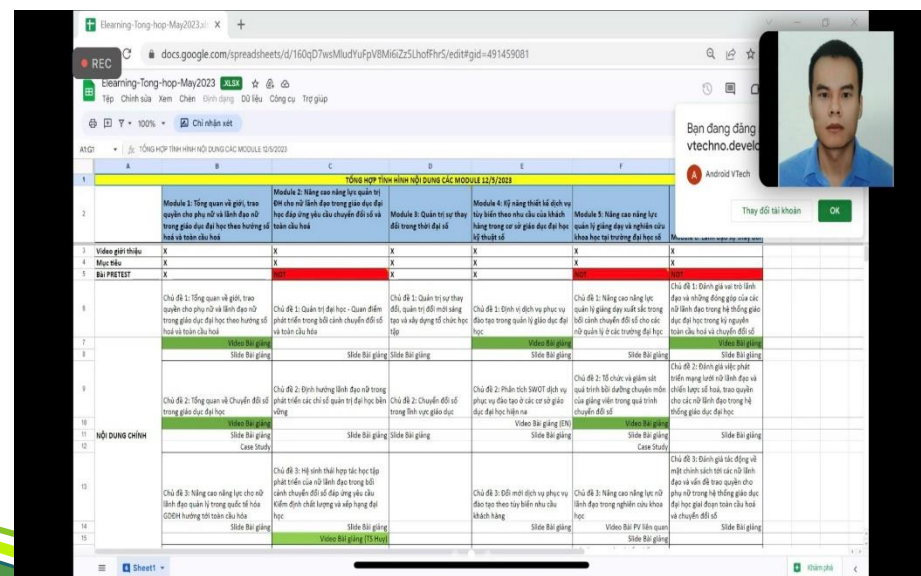

Dialogue 2 (1-3/12/2023)

TOT training courses

Quarterly meeting

Quarterly meeting

3. SUCCESSES AND ACHIEVEMENTS

NETWORK

- ✓ Through the project implementation process, a network of consortiums was developed, laying the groundwork for future research and training collaboration.

3. SUCCESSES AND ACHIEVEMENTS

NETWORK

- ✓ Established a network of more than 600 female leaders at higher education institutions to exchange and share management experiences.
