

British Council, Skills for Employability, Advanced Partnership Project
WKC, UK – Vinh University of Technology Education, Vietnam

UK-Vietnam Education Forum
Friday 11 September 2015

A British Council, Skills for Employability, Advanced Partnership Project, which forms the basis of a **3 year collaboration** between partners; establishing a **National Centre for Teacher Training and Assessing Learning** in Vietnam, delivering an **internationally recognised qualification** awarded by the UK Awarding Body, City & Guilds.

The Partnership

Westminster Kingsway
central London's College

Westminster Kingsway
central London's College

- Building upon the outcomes of an SFE Foundation Project (13/14)
- Working to achieve City & Guilds centre accreditation and qualification approval for Vinh University of Technology Education (VUTED)
- Training 10 Master Teacher Trainers from VUTED in a City & Guilds International Qualification in Teacher Training and Assessing Learning
- Providing VUTED with the resource and skills to deliver an Internationally recognised vocational teacher training qualification
- Establishing VUTED International Training and Assessing Learning Centre (VITAL)

- Identifying a suitable qualification which meet the needs of VUTED and the wider Vietnam Vocational Education system
- Developing internal systems, policies and paperwork at VUTED to meet the requirements of a UK awarding body
- Over coming English language level concerns
- Identifying Funding

- Internationalising the curriculum
- Sharing best practice and creating CPD opportunities for staff
- Creating a positive impact on learners and the general public in Vietnam and Enhancing skills for Employability

UK Partners

- Exposure and recognition in the Vietnamese education market

Vietnamese Partner

- Answering the Government call for the increase in the number of Internationally recognised qualifications being delivered
- Responding to the growing demand for Vocational Teacher Training in Vietnam

Ingredients of a successful partnership

- Communication
- Funding, resources and skills
- Demand from the market
- An incentive for all partners
- Patience, understanding and respect
- Clear Strategic plan
- Commitment from all partners and an understanding of roles and responsibilities

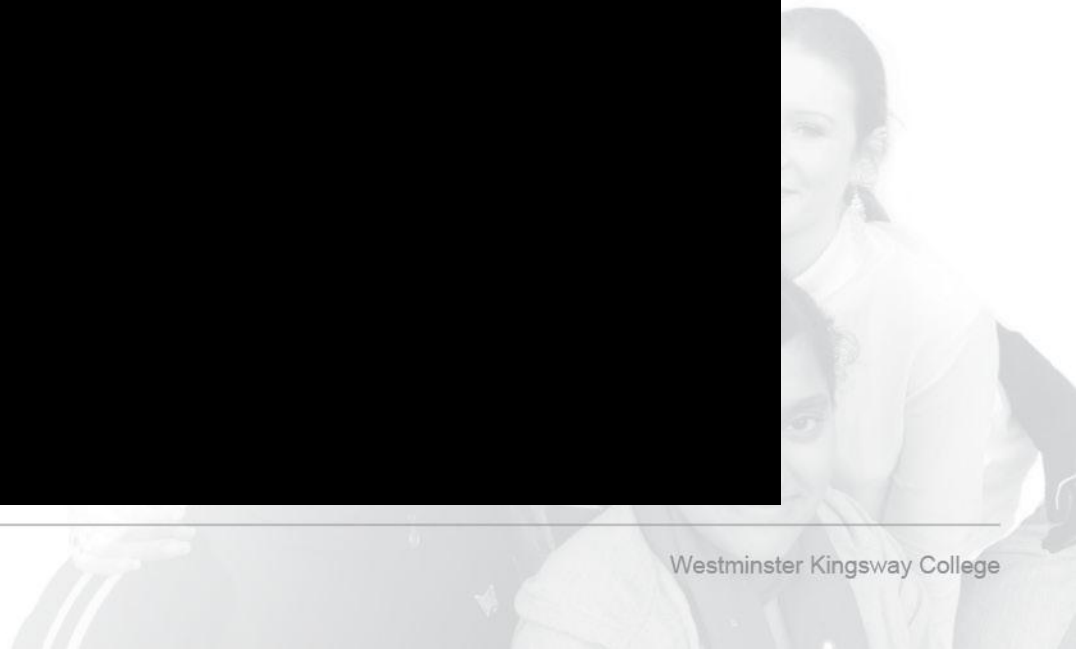

Mrs Hoang Thi Minh Phuong
Rector of Vinh University of Technology Education
