## Commitments

# Joint PhD programme @UoP – A Flexible Framework

- Institutional vision and research strategies
- Quality assurance approval procedure
- Single/joint/dual awards
- On-site/off-site/split site – min 6 months residency requirement
- Industry based (knowledge transfer) - not all PhDs become academic
- Graduate school – online training
  - Postgraduate researcher training – academic skills
  - Vitae Researcher Development Framework – transferable skills
- Preparing for a PhD: a good first degree or a Masters degree from an internationally-recognised university, IELTS band 6.5 with no component score below 6.0. - Intellectual capability and academic writing skills are key!

# Key Factors to Success

- Capitalise the opportunities to deliver globally recognised research
- Address the challenges
- Enabler: a Joint PhD framework
